News from the web:

A new Christmas picture book, *The Little Dyslexic Angel*, written and illustrated by Robert Warrington, will be released for universal distribution on December 10, 2011, just in time for the holiday season. *The Little Dyslexic Angel* is about hope, making your dreams come true, and having faith in yourself. It is the story of God's newest little angel who must read her name and learn her lesson that He has written on the wind and

hidden in the rainbows before she can earn her wings and fly to Heaven. But all the little angel sees are dots, lines, and curves. With help from the angels of serenity, courage, and wisdom, and a magical sleigh ride with Santa, she learns to read and earns her wings.
